### **5.4 EVALUATION OF BIDS**

#### **5.4.1 Technical Evaluation**

- 5.4.1.1 A duly constituted Technical Evaluation Committee (TEC) will first select Bidders on the basis of eligibility criteria of this tender. The Bids conforming to the eligibility criterion will be considered for further evaluation.
- 5.4.1.2 A duly constituted Technical Evaluation Committee (TEC) will shortlist Technical Bids on the basis of technical parameters and features offered. The short listed Bidders will be asked for a technical presentation/discussion on the products offered in the bid. Further, Technical Evaluation Committee (TEC) may ask the bidder to bring any selected products, as per specifications set out in the Annexure I for technical performance evaluation at NICS or any other location decided by TEC in specified time limit. In case, bidder fails to bring their quoted products within the stipulated time or demo fails for whatever reasons, their bid will not be considered for further evaluation.

- 5.4.1.3 The names of technically short listed bidders will be announced to only those bidders who's bids will qualify for opening the Financial/Commercial Bids.
- 5.4.1.4 Compliance statement to the technical specifications in the form of '**Complied**' or '**Not Complied**' should be enclosed in the technical bid. The compliance statement should contain the signature of the authorized person and the seal of the company. Any deviation should be mentioned / explained clearly in a separate sheet by the bidder.
- 5.4.1.5 For Detailed Technical Presentations/Discussions & evaluation, bidders have to ensure availability of appropriate specialist, along with required documentation for interacting with Technical Evaluation Committee. If the required specialist along with proper documentation is not made available by bidders, then such defaulting bidders shall be debarred from the tender evaluation process.
- 5.4.1.6 No enquiry shall be made by the bidder(s) during the course of evaluation of the tender, after opening of bid, till final decision is conveyed to the successful bidder(s). However, the Committee/its authorized representative and office of NICSI can make any enquiry/seek clarification from the bidders. In such a situation, the agency shall extend full co-operation. The bidders can also be asked to arrange demo of the offered systems, in a short period notice, as such the bidders have to be ready for the same.
- 5.4.1.7 If during the technical evaluation, any of the equipments fails then no subsequent chance will be given to the Bidder. However, alternate item (1) of already quoted make and model or (2) improved latest model of same make on account of technological trends which meets all the tendered technical specifications and superior in specifications then the quoted model, if available instantly on the spot could be considered by TEC for evaluation only once. Based on the demonstration/evaluation test results, Bidders will be short listed further and the names of short listed Bidders will be informed to only those Bidders who's Technical Bids qualify for opening the Financial Bids.

**In their own interest the bidders are advised to ensure that the equipments quoted by them should conform to all tendered technical parameters/specifications and are functional. Equipments quoted brought for evaluation not meeting complete tender specifications or lower in specification will not be considered for evaluation.**

#### **5.4.2 Financial Evaluation**

- 5.4.2.1 The Financial Bids of only those Bidders short listed from the Technical Bids by TEC will be opened in the presence of their representatives on a specified date and time to be intimated to the respective Bidders by Tender Process Section of NICSI, and the same will be evaluated by a duly constituted Finance Evaluation Committee (FEC).
- 5.4.2.2 If NICSI considers necessary, **Revised Financial Bids** could be called for from the **Technically short-listed Bidders**, before opening the original financial bids for recommending the final empanelment.
- 5.4.2.3 In the event of revised financial bids being called the revised bids should ***NOT*** be higher than the original bids, otherwise the bid shall be rejected and EMD forfeited.
- 5.4.2.4 There will be **NO NEGOTIATION** regarding the financial bid.
- 5.4.2.5 Lowest Quoting Bidder will be selected as per the **Annexure: E "Panel Formation"**.
- 5.4.2.6 The maximum period of matching rates will not be more than 7 days from the date of issuance of offer letter from NICSI to the concerned bidders.

5.4.2.7 No enquiry shall be made by the bidder(s) during the course of evaluation of the tender, after opening of bid, till final decision is conveyed to the successful bidder(s). However, the Committee/its authorized representative and office of NICS I can make any enquiry/seek clarification from the bidders, which the bidders must furnish within the stipulated time else bid of such defaulting bidders will be rejected.

## 5.5 EMPANELMENT OF BIDDERS

5.5.1 The empanelment under this tender, with all its terms and conditions, can be used by NIC also.

5.5.2 The panel will be valid for a period of Twenty-Four (24) Months in the first instance from the date of empanelment. It may be extended for a further period of Six (6) Months (at NICS I's Option and mutual agreement with bidder and depending upon the need for continuity of the hardware technology/architecture).

5.5.3 All empanelled Bidders shall have to enter into a written agreement with NICS I for honoring all tender conditions and adherence to all aspects of fair trade practices in executing the purchase orders placed by NIC/NICS I on behalf of its clients.

5.5.4 In the event of an empanelled Company or the concerned division of the Company is taken over /bought over by another company, all the obligations and execution responsibilities under the agreement with the NICS I, should be passed on for compliance by the new company in the negotiation for their transfer.

5.5.5 If the name of the product is changed for describing substantially the same in a renamed form; then all techno-fiscal benefits agreed with respect to the original product, shall be passed on to NICS I and the obligations with NICS I taken by the Bidder with respect to the product with the old name shall be passed on along with the product so renamed.

5.5.6 In case any selected L1 bidder refuses to sign empanelment within seven days of communication from NICS I, the offer would be treated as withdrawn and the bidder's EMD will be forfeited and tender will be scraped. If other bidders refuses to sign the empanelment after matching L1 rates, their EMD will be forfeited and offer will be extended to other qualified bidders to make a penal. The defaulting bidder may also be debarred from participating in NICS I tenders for a period of three years.

5.5.7 In case of empanelled bidder is found in breach of any condition(s) of tender or supply order, at any stage during the course of supply / installation or warranty period, the legal action as per rules/laws, shall be initiated against the bidder and EMD/Security Deposits shall be forfeited, besides debarring and blacklisting the bidder concerned for at least three years, for further dealings with NICS I.

5.5.8 The bidder should not assign or sublet the empanelment or any part of it to any other agency in any form. Any such eventuality shall result in termination of empanelment and forfeiture of Security Deposit/EMD concerning such bidders / parties.

5.5.9 NICS I may, at any time, terminate the empanelment by giving written notice to the empanelled bidder without any compensation, if the empanelled bidder becomes bankrupt or otherwise insolvent, provided that such termination will not prejudice or affect any right of action or remedy which has accrued or will accrue thereafter to NICS I.

5.5.10 During the validity of the panel including the extended period, if any, if the Bidder quotes, sells or exhibits written intention to sell any System or sub-system of the same or equivalent configuration to any other Department/ Organization at a price lower than the price fixed for NICS I under similar terms and conditions, the bidder shall voluntarily pass on the price difference to NICS I. The effective date will be the date of quoting lower rates by the bidder in the bid/quote. In the event of lowering of government levies subsequent to the finalization of the panel, the bidder shall

automatically pass on the benefits to the NICS, and in the event of increasing of government levies subsequent to the finalization of the panel; NICS shall automatically pass on the pro-rata benefits to the Bidder, if the same have been explicitly given in the financial annexure.

- 5.5.11 **During the validity of the panel**, in case NICS notices that the market rates have come down from the time the rates were finalized or selection of new system configuration based on market trends or for the reasons of technological changes, NICS could opt for asking the technically qualified bidders to re-quote the prices and the bidder(s) will be selected on the basis of procedure followed earlier. All those bidders, who were declared Technically Qualified and NOT empanelled, will submit the revised quote with the EMD, if they have withdrawn the EMD from NICS. The time difference between such re-quotes will be minimum 3 months except in case of the Union Budget. For any bulk requirements, NICS reserves the right to call for the revised bids from the empanelled bidders any time during the empanelment.
- 5.5.12 The Bidder should have a back-to-back support agreement with OEM for support of offered product. A Letter from OEM/Principle Manufacturer needs to be furnished along with the Tender document ensuring the support for 5 years from date of supply of ordered systems to NICS. OEM should be accessible through mail/phone/VC, for support directly or through the bidder for any support related issues.
- 5.5.13 No deviations from these terms and conditions will be accepted; violation thereof will lead to rejection of the bid and forfeiture of EMD.

## **5.6 PLACING OF PURCHASE ORDERS**

- 5.6.1 NICS has the right for phasing of placement of purchase orders.
- 5.6.2 For procurement of goods, Purchase order will be placed on the empanelled bidder in hardcopy format or in softcopy mode either through e-mail containing the scanned copy of the Purchase Order or an alert through e-mail for downloading the Purchase Order from NICS Purchase Section Web Site.
- 5.6.3 Objection, if any, to the Purchase Order must be reported to Purchase Section by the bidder within three (3) working days counted from the Date of Purchase Order for modifications, otherwise it is assumed that the bidder has accepted the Purchase Order *in toto*. This is applicable in case of electronic publishing/delivery of Purchase Order also.
- 5.6.4 On the receipt of the Purchase Orders, the Bidder(s) shall obtain from the user all the necessary documents for the State Entry Permit in respective States wherever required by them, for complete, safe and timely delivery of the ordered products.
- 5.6.5 If the bidder is not able to supply the ordered items completely within the specified period, the EMD/Security Deposit will be forfeited in full. Besides legal action shall be taken separately.

## **5.7 PRE DELIVERY INSPECTION AND ACCEPTANCE OF ITEMS**

- 5.7.1 The Items must be offered in full as per ordered configuration for testing and acceptance.
- 5.7.2 No item with short supply or with different technical specifications shall be accepted for conduct of acceptance testing under any circumstances.
- 5.7.3 The acceptance tests will include the verification of specifications of ordered item, functional testing and reliability test. The items must give same performance results as shown during initial demonstration/evaluation tests.
- 5.7.4 The delivered items, in addition to meeting the performance results as per evaluation tests, should also contain the same subsystem (Brand/Manufacturer) as were given at the time of initial evaluation tests.

- 5.7.5 Failure to fulfill any of the above-mentioned conditions will entail cancellation of the Purchase Order along with forfeiture of the EMD/Security Deposit. **The bidders must ensure before acceptance of purchase order that enough number of ordered items are available in stock to supply. In no circumstances different make & model other than ordered in purchase order/amendment order will be accepted.**
- 5.7.6 In case any of the empanelled items becomes obsolete and if the empanelled bidder(s) want to offer a new item/model of same make and same or higher specifications, which was not offered for evaluation, the same should be offered to NICS I for evaluation with full configuration at least one month prior to the acceptance testing date. The bidder should provide detailed technical documents and technical man power support so as to enable NICS I to carry out the evaluation process again on the new item. The decision arrived at by NICS I will be final and binding on the bidder.
- 5.7.7 The schedule for conduct of acceptance testing dates shall be provided to NICS I along with comprehensive material details by bidder within 30 working days from the date of purchase order, mentioned in the purchase order, so that all the related documentation work by NICS I could be completed and tested supplies are handed over to bidders for ensuring the delivery and installation within the stipulated time frame as per purchase order.
- 5.7.8 The testing of items must be generally completed as specified in the purchase order on or before the delivery date as per purchase order.
- 5.7.9 Normally, testing and acceptance of the systems will be done at the premises of the bidder or mutually agreed location, where it will be tested as per ordered specifications.
- 5.7.10 NICS I/NIC reserves the right to reject any item, if found unsuitable and / or not conforming to the approved specifications. The rejected items, if any, shall have to be taken back and replaced by good items forthwith at the cost of the bidder. No payment will be made for rejected items.
- 5.7.11 The items which are accepted after testing, should be sealed inside carton under the joint signatures of the representative(s) of NICS I and bidder's representative and then sent along with the packing list giving serial numbers and part numbers of all possible Items and copy of the acceptance test report to the specific location or Technical Store at NICS I HQ. The top cover of the carton must have a label carrying the complete NICS I Purchase Order Number, bidder's bill number and Delivery location
- 5.7.12 It shall be the exclusive responsibility of the Bidders supplying the Systems to provide appropriate device drivers and solutions for these systems for various software platforms etc.

## **5.8 DELIVERY & PENALTY**

- 5.8.1 The delivery shall be made within 8( Eight) weeks of placing the Purchase order to the L1 bidder. All aspects of safe delivery shall be the exclusive responsibility of the Bidder. At the destination Site, the cartons will be opened only in the presence of NICS I/User representative and Bidder's representative and the intact position of the Seal for not being tampered with, shall form the basis for certifying the receipt in good condition.
- 5.8.2 The schedule to be given for delivery at site is to be strictly adhered to in view of the strict time schedule for implementation of various Projects. Any unjustified and unacceptable delay in delivery beyond the delivery schedule as per Purchase Order **will** render the bidder liable for liquidated damage at the rate of 0.2% (point two percent) of the purchase order value per day subject to a **maximum of 30 days**. Proof of Delivery (**Delivery Challan as per annexure-F**) duly signed by the user/NIC/NICS I Project Coordinator, with his name, date of delivery, designation and office seal, legibly recorded, should reach NICS I Head Quarters, New Delhi within four (4) weeks

of the delivery except for delivery in North-eastern States including Sikkim, J&K, Lahual-Spiti & Kinnaur in HP, Andaman Nicobar and Lakshwadeep Islands locations. Delivery note of these locations should reach within six (6) weeks of delivery date. Any delay in delivery of equipments which may be attributable to non receipt of State Entry Permit/Octroi/Way-bill, shall qualify for extension of delivery period on pro-rata basis provided bidder submits documentary proof for doing so.

- 5.8.3 If the delivery, of whole or in part, is delayed beyond 30 days from last date of delivery as given in the purchase order, NICS I will have option to cancel the purchase order to the extent of unfulfilled part of the purchase order. NICS I will be free to procure the remaining items from alternate sources at the cost and risk of the defaulting bidder, by forfeiting the EMD/Security Deposit of the Bidder. In addition, NICS I will impose a cancellation charge of 8.5% of the value of unsupplied items, which will be recovered from the pending bills or EMD/Security Deposit or by raising claims.
- 5.8.4 NICS I will impose penalty on total value of purchase order (as per clause no 5.8.2 of this tender) if the delivery of more than 20% of the total order value is delayed beyond the last date of delivery. If the delivery is delayed for the item(s) whose value is equal or less than 20% of the total order value, the penalty shall be applicable on the delayed equipment only.
- 5.8.5 On the receipt of the purchase orders it will be the sole responsibility of the bidder to immediately initiate the process of obtaining all the necessary documents directly from the NICS I client for the Waybill/ Road/ State Entry Permit in respective States wherever required for complete and safe delivery of the ordered products. However for cases where copy of invoice and GR (Goods Receipt) from the transporter is required for applying for road permit, the process should be so initiated by the bidder that the delivery schedule is met. Proof for the communication sent and duly received by the user and/or NICS I/NIC project coordinator with signature, name, designation, telephone number and preferably with office seal should be submitted to NICS I. If after such proper communication, there is any delay in the issuance of road permit from the user, the bidder will be entitled to get extension for delivery period of two weeks from the date of receipt of the road permit.
- 5.8.6 The bidder shall provide User manual along with each item, irrespective of the fact that more then one item may be meant for any location.

## **5.9 INSTALLATION SCHEDULE & PENALTY**

- 5.9.1 The Bidder should install all the systems at specified site without any additional charge. **Installation should be completed within 2 Weeks from the due date of delivery or actual date of delivery whichever is later.** If the scheduled date of delivery / installation falls on holiday / non working day (at the delivery location), the next working day shall be treated as due date of delivery / installation At the destination site, the Cartons will be opened only in the presence of user Official and Bidder's representative and the intact position of the Seal for not being tampered with shall form the basis for certifying the receipt in good condition.
- 5.9.2 During installation at site if any item is found to be defective or broken, it will be replaced with new one by the Bidders at their own cost and risk within 15 days from the date of inspection.
- 5.9.3 If the items are not installed at site within the stipulated time after delivery due to the 'non-responsiveness' of the bidder, **a penalty at the rate of 0.2% (zero point two percent)** of purchase order value per day subject to a maximum of **30 days** will be imposed on delayed installation. Thereafter, NICS I holds the option to complete the installation work through alternate sources at the risk and cost of the defaulting bidder.
- 5.9.4 A sticker mentioning the service support call centre number of the bidder should be pasted on each supplied item. An installation and acceptance certificate as per format

given in **Annexure-G** must be obtained from user or NIC/NICSI project coordinator as the case may be.

- 5.9.5 For Site Not Ready (SNR) cases, bidder requires to submit SNR certificate as per **Annexure-H** signed by NIC/NICSI Coordinator of the project/ User Department. However, regarding readiness of site, the decision of the User Department/NIC/NICSI Project Coordinator will be final. No penalty will be imposed for SNR cases, however, bidder has to deliver , install and take acceptance of the items within 2 weeks as per clause 5.9.1 on receipt of Site Ready notice from User/NICSI/NIC else it will attract penalty as per above clause- 5.9.3 recoverable from Bill.

## 5.10 PAYMENT

- 5.10.1 A pre-receipted bill, along with original excise duty gate pass (if applicable) and acceptance certificate, shall be submitted (Three copies) in the name of user, A/c-NICSI, New Delhi-110066 soon after the delivery of the items (**not beyond two month of delivery date in any case**) along with a copy of the duly receipt delivery challan. If bills are not submitted within in three months of last delivery date, it will be presumed that bidder does not have any claim for payment. The Bills/Invoice should be in the format and as per guidelines / instructions given in Rule 52-A, 57GG etc., of the Central Excise Rules, 1944 as amended from time to time for these items for which payment of Excise duty is applicable.

## **5.20 MISCELLANEOUS**

- 5.20.1 The empanelment under this tender is not assignable by the selected bidder. The selected bidder shall not assign its contractual authority to any other third party. As a matter of policy and practice and on the basis of Notification published in Gazette of India dated 14th March, 1998, it is clarified that services and supplies of the bidder selected through this tender can be availed by both National Informatics Center [NIC] and National Informatics Center Services Incorporated [NICS], as the case may be depending on the project, and the selected bidder shall be obliged to render services / supplies to both or any of these organizations as per the indent placed by the respective organization. In other words, the selection procedure adopted in this tender remains applicable for NIC as well, and in the event of rendering services / supplies to NIC, the selected bidder shall discharge all its obligations under this tender vis-à-vis NIC. Any default or breach in discharging obligations under this tender by the selected bidder while rendering services / supplies to NIC, shall invite all or any actions / sanctions, as the case may be, including forfeiture of EMD, security deposit, invocation of performance guarantee stipulated in this tender document
- 5.20.2 The decision of NICS/NIC arrived at as above will be final and no representation of any kind will be entertained on the above. Any attempt by any Bidder to bring pressure of any kind, may disqualify the Bidder for the present tender and the Bidder may also be liable to be debarred from bidding for NICS/NIC tenders in future for a period of at least three years.
- 5.20.3 Any conditions mentioned in their tender bids by the bidders which are not in conformity to the conditions set forth in the tender will not be accepted by NICS/NIC. All the terms and conditions for the supply, testing and acceptance, payment terms penalty etc. will be as those mentioned herein and no change in the terms and conditions set by the bidders will be acceptable. Alterations, if any, in the tender bid should be attested properly by the bidders, failing which the bid will be rejected.
- 5.20.4 One batch of NIC/NICS/User staff is to be trained in installation, maintenance and servicing, at least for a period of one week, free of cost.
- 5.20.5 NICS/NIC may use this tender for executing any projects anywhere in India during the validity of this tender.
- 5.20.6 NICS may ask for % of discount from all empanelled bidders, if required quantity is more than **500** in single purchase order for any standard/customised configuration of desktop system.
- 5.20.7 All terms and conditions governing prices and supply given above, as applicable to NICS, will be made equally applicable to NIC.
- 5.20.8 In addition to the supporting technical documents, the enclosures as mentioned in **List of Enclosures** are required to be submitted with the technical bid.
- 5.20.9 NICS reserves the right to modify and amend any of the above-stipulated condition/criterion depending upon Project priorities vis-à-vis urgent commitments. NICS also reserves the right to accept /reject any bid, to cancel / abort tender process and / or reject all bids at any time prior to award of empanelment, without thereby incurring any liability to the affected agencies on the grounds of such action taken by the NICS.
- 5.20.10 Any default by the bidders in respect of tender terms & conditions will lead to rejection of the bid & forfeiture of EMD/Security Deposit.
